

**WORKSTATION 1**  
**BRAKE SYSTEM DIAGNOSIS**  
**STUDENT ANSWER SHEET**

**Directions:** Go to the classroom vehicle, perform the tasks and answer the questions below.

1. Review the customer concern on the repair order for this vehicle. What is the customer concern?

---

---

2. Can you verify this concern? (Circle One) YES or NO

3. Perform the preliminary diagnostic steps. What service publication describes these steps?

---

4. Where should you look for diagnostic direction?

---

---

5. Diagnose the vehicle concern. In the table below, write down each test you perform and its result.

**Note:** The number of rows in the table does not indicate the number of steps that must be performed. Use additional paper if required.

| DIAGNOSTIC STEP | RESULT |
|-----------------|--------|
|                 |        |
|                 |        |
|                 |        |
|                 |        |
|                 |        |
|                 |        |
|                 |        |

6. What was the cause of the concern?

7. In order to repair this fault, what will you have to do?

---
