SUBJECT: See attached list totalling \$17,835.75

Gentlemen:

A review of our records indicates that the subject charges remain unpaid. Inasmuch as you are one of our valued patrons, it leads us to believe that payment may have been previously made but not applied to the proper account. If this is the case, would you please furnish the check number, date, amount and the address mailed to, or furnish photocopy of both sides. This will help us immeasurably to remove this item from your account.

If, however, you find that payment is required, your early remittance will be appreciated. To assist you further, copies of the bills in question are furnished herewith.

Thank you very much for your kind cooperation.

Very truly yours,

E. W. Fauerbach
Collection Manager
