Oakland, Calif. 94612
Attn: Mr. R. Grigg

Dear Ralph:

"DERM." ONLY

Attached please find your Asbestos caution label that we plan to use on all of your Plastic and Gun-Plastic cement bags. Please advise if the attached is satisfactory or if further work is needed. We have order of Gun Plastic in schedule for late next week at which time we would like to incorporate this new label.

Very truly yours,

J. Hamm
