

1 worries me personally, frankly, because I used to do
2 construction when I was in college and I worked with
3 insulation.

4 One more guy in one of the reports had a
5 mesothelioma, and he had worked for one week as a
6 brake grinder in 1960 and got mesothelioma because of
7 this.

8 Q What about reports of household members
9 exposed from dust brought home on the clothes of
10 family members?

11 A That is well documented.

12 As a matter of fact, I testified in a trial
13 about that last year. A woman who -- all she ever did
14 was to shake out her husband's clothes preparatory to
15 washing them, take them out on the back porch, shake
16 out all of the worst of the dust and she got
17 mesothelioma from this.

18 Q Did you also -- are you also familiar with a
19 report from the Australian Mesothelioma Registry?

20 A Yes, I have seen that report.

21 Q And they collect the cases of mesothelioma
