See Craver's new line of men's,
ladies' and children's shoes.

Good clean mixed oat hay \$20 ton.

Crust—Breaks Down Ridges—Crushes
North Winds—Works Under and Up to Trees in Orchard Work. It
is the best Clod Crusher ever made for Farmer, Orchardist, Vineyardist,
Nurseryman and Seedsman.

It makes no difference what your line of soil tillage is, this imple-
ment will enable you to cheaply put a FINISHED APPEARANCE on
your land, besides creating the best possible condition for preserving moist-
ure. With it you can work closer to TREES and VINES than with any
other roller made for orchard and vineyard use.
