CEED Files

PLAINTIFF'S EXHIBIT GF-1064

Two all-day asbestos samples were taken by St. Louis personnel and submitted to CEED for counting. The results are summarized below:

Sample Identification	Time (min)	Fibers/cc (TWA)
#3 Lincoln Saw Operator (9/5)	240	0.2
#3 Lincoln Saw Operator (9/6)	240	0.4

All results were below the allowable ceiling limit.

If you have any questions, please let us know.
