Subject ERIE PIPE COVERING DEPARTMENT INVENTORY

Based on your conversation with Mr. Faneuf, following are the present inventories of the various Pipe Covering items:

Item C. 5½-6# Asbestos pipe covering paper. Our present inventory of this material is 29 rolls, totalling 16,470#. The inventory submitted to you on August 17 showed 27,455#. This material is in such condition that we would not be able to rewind it satisfactorily into 250# rolls.

Item D. 8# Asbestos pipe covering paper. Our present inventory is 14,145# as versus that of 21,785# submitted in our list of August 17. We intend to rewind this into rolls for Victor Gasket and possibly make Imperial Indented Paper.

Item G. Glazed paper (White-Flint). The inventory given on August 17 was 3 rolls in the amount of 410#. Our present inventory is 1 roll in the amount of 115#.

Item H. Indented Imperial 8# 37" wide asbestos paper. This has been completely used up.

Item J. ½" Hair Felt, 150 sq. ft. per roll. We still have the original inventory of 12 rolls, 1,800 sq. ft.

Item L. ½" Air Cell corrugated asbestos paper, 500 sq. ft. per roll, 37" wide. This has been used up.

Item M. ½" Air Cell corrugated asbestos paper, 250 sq. ft. per roll, 37" wide. This has been used up.

Item N. 1/[redacted] corrugated asbestos paper, 500 sq. ft. per roll, 37" wide. Our pr[redacted] inventory is 17 rolls as versus the 32 rolls originally su[redacted].

Item Rc. The original inventory of 6,500 pipe covering cartons (printed) has been reduced to 6,427.

Item Rd. The original inventory of 75 pipe covering cartons (plain) has been reduced to 68.

Item A. Glazed paper (White-Flint), 37" wide. We still have the 3 rolls as originally reported, in the amount of 1,330#.

Item B. The 5-6# Asbestos paper in sheets 37" x 37" will be scrapped.

Item S. Aluminum pipe covering bands. This inventory now consists of the following:

9"	- 6,441	20"	- 10,112
10"	- 3,735	21"	- 7,360
11"	- 13,920	23"	- 10,930

P. S. The items listed on the above inventory do not constitute a carload; however, this material could be shipped within two or three days' notice. Possibly, it should be considered that this material be included in a car of regular 5½-6# asbestos paper which we occasionally furnish Empire.
