Dear Mr. Sackett:

Positive things continue at Soulard Market because of the support of people like yourself and companies such as Monsanto.

We are so pleased and honored to have Monsanto behind us. The $15,000 matching grant for the new lighting fixtures will be a very visible sign to the people of St. Louis that the market will continue to serve the community.

We are very excited about the press we have received lately and have mentioned your help to the media. We appreciate your efforts toward our long-term viability and hope we can count on future backing from you and Monsanto.

I know that Ms. Hauser is working with David Clohessy from the Mayor's Office on an event to recognize the grant donation. I look forward to that meeting so that I may thank you personally.

Best personal regards,

Sandra T. Zak
