Interorganization Correspondence

Date: June 16, 1983

From: Walter D. Holloway
Manager-Safety

Subject: Stop Order on Purchasing Asbestos Protective Garments

Effective this date, no USS location shall order any protective garment (coats, jackets, pants, aprons, spats, leggings, gloves, hoods, etc.) containing asbestos.

The approved alternates are:

- (1) Aluminized 19 oz. Kevlar (Thermobest, Norfab 400, Korskun).
- (2) Aluminized Rayon, USS Specification 405-1275 (Exhibit I).
- (3) Aluminized FR Cotton with attached FR Cotton Liner, USS Specification 403-174 (Exhibit II).

W.D. Holloway (F.P.M.)

FILING INSTRUCTIONS

1. Place this letter, Exhibit D, after Exhibit C, Section 5, Aluminized Clothing/Apparel.
2. Place the revised page I-5-1 behind the tab marked 5, Aluminized Clothing/Apparel. Remove old page I-5-1.
3. Remove Exhibit III, pages I-5-13 thru I-5-16.
4. Remove page I-2-3 from Section 2, Index, and insert revised page I-2-3.
