Dear Mr. Freifeld:

As I promised in my letter of July 24, I am enclosing a copy of the final report on the contract, "Environmental/Industrial Hygiene Surveys of Vinyl Chloride Monomer Manufacturing Operations and Operations Where Polyvinyl Chloride and Copolymers of Polyvinyl Chloride are Processed." We anticipate incorporating the results of this report into an overall report on NIOSH environmental findings in the vinyl chloride industry.

I hope the information supplied proves useful.

Sincerely yours,

James H. Jones
