Craft safety meetings will be held in the Research Conference Room on the day and times listed below:

Tuesday, December 14, 1982

0800 Laborers, Truck Drivers
1000 Iron Workers, Boilermakers, Operating Engineers
1100 Instrumentmen
1230 Pipefitters
1330 Machinists, Painters
1430 Carpenters, Electricians, Insulators

Our safety meeting this month is a ten (10) minute video tape program entitled "Personal Hygiene".

Other topics to be covered are the two recordable injuries we had last month and an injury to a technician at our Luling plant.
