Lol. Today was a good day for me- I had a few minutes for lunch at 2:30.

You will love it.

Today was day 4 and even though I haven't eaten since 6 AM you are spoiling my appetite.

Please send a calendar invite and I will forward to relevant politicals

LOL. Ok, let me check with CEQ and other politicals here to see what time is best. For me it will need to be between 12-2.

I can also send a conference line for dial in if that helps.

Was this your first or 2nd week? Hate to break it to you, but the madness will only get worse..

Yes, let's get our policy team on the call.

I have a block of time from 11 to 2, which is a miracle the way this week has gone. Pick a time and let's talk. Probably easier if we call you because we are in Silver Spring tomorrow and working out of our offices there for the first time.
