Gentlemen: C

The attached letter is my suggestion for the opening gambit in our survey. I felt it should stand alone. Specific and general questionnaires should be separate. Therefore the first question should not be "Are you currently using any of these products", but "Are you currently using any of the brand name products in the cover letter?".

I'll be looking forward to your comments on proposed letter and also receiving the questionnaires you've been developing.

Lloyd, I presume you have talked with Don Mount re. Pest. Comm. Chicago Meeting 9/21-22. I need that list of industries we worked on to make up my map: Please send pronto.

Sincerely,

WATER RESOURCES COMMISSION

Carlos
