CC TO Mr. F. L. Lense

MONSANTO CHEMICAL COMPANY

Anniston, Ala.

DATE August 18, 1945

TO

REFERENCE

ATTENTION Mr. F. A. Barker

SUBJECT

Reference our letter August 6 to Mr. F. M. Clark, General Electric Company at Pittsfield, Mass., regarding equipment for determination of resistivity of liquid aroclor.

Attached is copy of letter from Mr. Clark regarding this equipment. Thought you would want to place order in line with his suggestion for shipment from their Pittsfield works.

Please advise.

E. L. Sanderlin
