Re: Vinylidene Chloride

Dear Mr. Turner:

In response to your recent request for information on Vinylidene Chloride, enclosed are the following publications:

- 1) Vinylidene Chloride Brochure
- 2) Product Bulletin 120A
- 3) Material Safety Data Sheet

You should be aware of the hazards, proper handling and use of this product. PPG urges you, and it is your duty, to pass along any hazard and safe handling information contained therein to your employees, customers, handlers or users of this product. The same principle applies to any product made by you from PPG products.

Please let me know if you would like additional information on Vinylidene Chloride or if we could provide you with updated editions of the above-mentioned publications, when they are available.

Very truly yours,

Richard B. Leggett
District Sales Manager
