Re: Nevada Power Litigation

Dear Paul:

The July 22, 4 p.m. draft of the stipulation is acceptable to GE if the following change is made. Item 19 should not be described as a "30(b)(6) notice." We request that this item be described as follows: "Depositions of Nevada Power personnel re GE interrogatories Nos. 10, 11, and 27, previously noticed by General Electric."

As to item 20, concerning Custodian of Records depositions, although we have doubts about the utility of such depositions as a means of authenticating documents, we have no objection to the inclusion of this item with the current language, so long as it is listed under category B.

Sincerely yours,

Robert J. Shaughnessy
