Monsanto Industrial Chemicals Company
P. O. Box 14617
St. Louis, Missouri 63178

Attention: Mr. Paul Benignus

Gentlemen:

With regard to a small quantity of ~~Pyranol~~ we have on hand, we request information on the precautions to be observed by our personnel. Are there hazards involved in handling the material or breathing fumes from it? What antidotes should be used? Are special storage provisions necessary?

Your recommendations and instructions in this respect are requested.

Very truly yours,

INTERNATIONAL HARVESTER COMPANY
Construction Equipment Division
