Dear Bill:

I represent Mrs. Garrison. Her husband died on April 3, 1982. Cause of death was metastatic carcinoma. He worked for Zonlite, W. R. Grace and Company in Libby, Montana from 1948 to 1965. Zonalite mined vermiculite which contains large amounts of asbestos. His medical reports over the years show that he had asbestosis. He was also a smoker and some old medical reports show vegetable fibers in his lungs. He was disabled since 1968 with chronic pulmonary emphysema with cor-pulmonale.

I would appreciate your comments and I would like to know if your firm would be interested in handling this matter. Please contact me at your earliest convenience.

Sincerely,

Richard J. Gomez
