DATE: October 7, 1991

SUBJECT: ALCOA MEETING

TO: T. M. Bistline - E2NP
W. J. McCarville - A3NA
M. A. Pierle - A3NA

Present for ALCOA will be:

Rick Kelson, Executive V.P. Environment Safety and Health
Connie Ritzert, Manager, PCB Issues
Ralph Waechter, Legal Counsel to V.P. of ES&H

Corporate ALCOA management is set up such that each V.P. has an assigned legal counsel. Waechter has an environmental law specialty, but functions to advise Kelson in all areas.

Connie Ritzert will "tee off" with a statement of what they hope to accomplish.

Frank Stokes reports that Rick Kelson serves on The Business Roundtable with Paul O'Neil, Chairman of ALCOA. He also believes Mr. Mahoney knows O'Neil very well.
