The finalized date for the Days of Caring dedication will be Friday Oct. 6.

Oct 6

The dedication ceremony for the playground at Patch center has been tentatively set for Thursday, ~~Sept. 28~~ at 10:00 a.m. An alternative time has been scheduled for Friday, Oct. 6 at 10:00.

Please reserve these times on your calendars. Reserve 1.5 hours - with the expectation that the actual ceremony will be much shorter.

Colleen and I are currently in the process of setting an agenda. Please let me know if you would like to speak.

When the date has been finalized, I will send an e-mail.

Thanks,

Beth
