Monsanto Industrial Chemicals Company
St. Louis, MO

Dear Mr. Craddock:

May I have a copy of the paper entitled "What We Know About Health Effects of PCBs" that you are scheduled to present at the 1982 summer national meeting of the AIChE in Cleveland.

I am very interested in the subject you will be discussing; however, business pressures do not allow me to be in attendance.

Thank you for your kindness.

Very truly yours,

CENTURY BRASS PRODUCTS, INC.
