due for surgery today after suffering severe facial injuries, possible eye damage, and a possible broken cheek bone.

Suffering minor knife wounds were Frances B. Donegan, of 142 Olympic Circle, Leisure Town, and John L. Byrd, of 560 Westwood Ct. Donegan was stuck in the hand with a small knife while Byrd had a knife placed at his neck.

Sgt. Joe Lopez, who is investigating the unusual incident, said the two knife assaults and battery occurred outside a Main St. bar late Thursday, and were separate incidents, but apparently involved the same assailant.

Maxine Harris of 527 Porter St. was sentenced after she was found guilty of passing worthless checks in Vallejo on Jan. 18, 21 and 24. It was her fourth conviction for fraudulent checks, authorities said.

Judge Sherwin ordered Peter Aaron Jackson, 29, returned to Atascadero State Hospital for further treatment. Jackson is charged with a Nov. 16, 1963, burglary at a restaurant at 2612 Sacramento St., Vallejo, but has not been able to stand trial because of his mental condition.

A new trial for Herman Marshall, 29, of 100 East Lane, Apt. 601, Vallejo, was denied by Judge Sherwin. Marshall was found guilty by a jury of fraudulent use of a charge account in Vallejo. Judgment and sentence was set for Nov. 8.
