ACCEPTANCE BY PERFORMANCE

Probably the surest test of acceptance of any product is the sales record through the years. Transite Pressure Pipe has the following record:

- Sold over and over again in all 48 states
- Over one quarter of billion feet now in service
- Many customers have purchased over 1,000,000 ft. of pipe -
  examples: Municipal - Los Angeles, Calif.
  Private - American Water Works Service Corp.
  Coal Mines - Glen Alden Coal Co.
  Oil Fields - East Texas Salt Water Disposal Co.
- In Army, Navy & Air Force bases around the world
- Many communities have all-Transite systems
- Reprints used throughout this book also attest to the acceptance of Transite through performance
