Dear Alan:

After having returned to Denver, I would like to thank you for your hospitality extended to Mr. Blackhurst and myself during our recent meeting in Manchester. I was glad we could review our mutual business and in spite of the fact that you are forecasting considerable lower purchases from us in 1979 than in 1978, we would like to ask you to give us the tonnages per grade at your earliest convenience so that we can make the necessary preparations.

Looking forward to your news, I remain with best regards,

Yours very truly,

L. Siebert
