(Troops of the 1st Corps area, which covers both Hue and Da Nang, had defected to the pro-Buddhist, anti-Saigon camp in large numbers since March 18, when the Saigon government dismissed Gen. Nguyen Chanh Thi, 1st Corps commander.

Loyalty Suspect

(Throughout the reorganization in Da Nang last week, the loyalty of all 1st Corps Vietnamese troops was suspect, and the Buddhist pagodas where resistance centered were largely garrisoned by disaffected 1st Corps units.

(There were recent reports that Brig. Gen. Thang Xuan Nhuan, commander of the 1st Corps area, had put out feelers to Saigon

...ending attack, and asked Vietnamese police for protection. When it was not forthcoming, they looked the library and departed.

Damage Limited

According to reports ... students broke windows with stones, ... the doors ... demanded the ... library. Fires were ... inside and outside the building. But the building itself is stone, books don't burn too well, and it was not a very satisfactory fire, according to eyewitnesses.

It was the second time that the Hue library has been attacked. In late December last year, when the Buddhists were in the throes of bringing down a previous government, they burned the book shelves and their contents. The reading material, picked to inform Vietnamese with English reading ability about America, was just building up to be lower-class when the new attack came.

(The Associated Press reported the loss to the attack on the USIS library was estimated at $250,000.

GUANTANAMO

was fired when the Cuban refused to halt.

The second shot, according to military sources, actually struck the Cuban after he had cleared the perimeter fence, but the Pentagon has refused to confirm that fact.

Pentagon Switches

The Pentagon at first denied that any shooting occurred Saturday. Later Defense officials admitted an incident had occurred but refrained from stating that a Cuban was killed—only "wounded"—or that he was shot after escaping from the base.

An investigation of that shooting is continuing, the Pentagon said Thursday.

Cuban officials Thursday branded the Pentagon version of the Saturday shooting as "strange, ridiculous, absurd, infantile and false."

After Cuba reported the Saturday shooting, Communist officials pledged to step up Red subversive efforts in other Latin American countries as revenge for the soldier's death.

How conversation can nourish your life

It can solve problems, help you find out what other people think of you, even strengthen your marriage. But first you must distinguish between artificial conversation and the true interchange of ideas.

Discover—in June Reader's Digest—how to find the "conductors" that spark the "two-way flow of personal electricity."
