Mr. J. L. Cisler
Campbell Soup Company
Napoleon, Ohio 43545

Dear Mr. Cisler:

Confirming our conversation of today with reference to the return of Therminol FR-2 after your conversion to Therminol 66, we will accept the return of your used Therminol FR for disposal and our normal disposal fee of $ 0.03 per pound will waived in this particular instance. The used Therminol FR-2 should be drummed and shipped prepaid to:

Monsanto Company
W. G. Krummrich Plant
Sauget, Illinois

Attn: Supervisor
Department 246

We would appreciate you notifying us before this material is returned so that we may alert the plant to its return.

If you find that the Therminol FR in question is UNUSED and is in the original unopened drums, please let us know and we will advise the procedure to follow in order to obtain full credit.

A conversion allowance of $ 0.30 per gallon was provided on our invoice SL 8-3983 (your order 4-1-42236) dated August 19, 1970.

Mr. Cisler, if you should have further questions, please do not hesitate to call.

Sincerely,

Evelyn Palazzolo (Mrs.)
Sales Correspondent
Organic Chemicals Div.
