Per Yolanda: - pre-trial conference set for 4/6/88.
I called Dennis Mullen to offer 5K but he was on vacation. Relayed offer to Brad Powell 5K for the denial of the heart condition. If he agrees then will file a motion to have it cut out. ① if we can get a doctor to say the condition is permanent ② show that it files for PTD. his disability is related - not to the heart condition. (No longer a part of the claim)

Yolanda advises that the Clt has been declared PTD by Social Security.
