at 32nd Street
New York, New York 10016

Dear Alan;

I noticed on the agenda for the next State and Local Government Affairs Committee Meeting, on May 21, that you will introduce new members. I believe I qualify as a new member and wanted you to know that I will be unable to attend the meeting due to previous travel commitments. However, I do look forward to working with the committee in the future.

Sincerely,

Thomas G. Grumbles, C.I.H.
Director, Industrial Hygiene &
Product Safety
