Askarel Technical Bulletin

E. P. Wheeler - B2SA

D. Wood - B2SC

T. H. Bottini - B2CA

Attached is a copy of the new Toxicity & Safe Handling Section supplied by Elmer Wheeler for the Askarel bulletin.

In that David Wood has asked for the reprinted bulletin by April 17, I will assume this new copy meets with your approval and proceed with production. If not, please notify me as soon as possible.

Thank you.
