Hi Drew,

Thanks for reaching out and for the kind words. Fully agree, we're lucky to have Emily rejoin DOE.

Have enjoyed working with your team so far. As I have discussed with Scott, CESER plans to prioritize efforts to secure and harden defense critical energy infrastructure, which had not been a priority at DOE in the last few years.

Congrats on your new position. I look forward to working with you and your team in the months ahead.

Best,

Alex

Alex,
Great seeing you in Pittsburgh, just wished Emily all the best as she departs for your shop. You are lucky to have her.
Let me know if I can be helpful.
Regards,
Drew
