dear sandi
re your indian order jbmm 30135
bank advised me today we have discrepancy of on deck b/l.
since the credit specifies the b/l should not contain the
provision of on deck shipment, we have discrepancy. all
lines always mention the goods may be carried on deck.
the credit specifies the bank will pay upon receipt of
the documents, so we should send documents on approval
basis. please advise your instruction for the bank.
you may reach me at 215 629 8253 via phone.
thanks okwonjoh - closings
