enlisted men stationed at the veterans' hospital and many units at Moffett Field.

In order to carry on this work the library needs added support from the community. Books of all kinds and new magazines are urgently needed. These should be left at the Public Library, at the Camera Shop, at 1680 Bryant street, or at the California Avenue Pharmacy. Contributions of money are also needed and checks should be mailed to Mrs. F. J. Frost, 275 Lowell avenue.

The library's staff is made up of volunteers. They include Mrs. Frost, Mrs. Everett Thompson, Mrs. T. H. Davies, Mrs. T. N. Wyman, Miss Jennie Baker, Miss Marjorie Grant, and Anne, Robert and Frank Frost.

SUPER-SPINNE
Largest airplane propeller ever in the world, is the big black on N.J. propeller division plant of Recently used in substratosphe the 18-foot, 2-inch prop can h Because steel blades are hollow, comparable ones of solid alumi load by approximately 650 pou
