Re: Monsanto PCB - Meeting May 28 and 29

Dear Jay:

The case I had set for Thursday, May 28, has been settled and I can attend the meeting on both days. The earliest I can arrive in St. Louis without coming the night before is 11:13 am and I have reservations to arrive at that time. I will come directly to your office or wherever the meeting is to be held if you will advise me.

I would appreciate your making me a reservation at a motel for Thursday night. If it is important that I arrive earlier than the above time on Thursday, I can change my plans to come up Wednesday night.

I will appreciate hearing from you.

Very truly yours,

Lon P. MacFarland
