Subject: Invite - Business Council at C2ES

Hi Bill:

When I stopped by the office earlier this year I mentioned our Business Leadership Council was meeting in July. The all-day meeting is July 18th next Wednesday. Here is the link to the list of companies <https://www.c2es.org/our-work/belc/> and we would love to have you stop by next week at give a general update and engage in a little bit of conversation. These meetings are Chatham House Rule to provide opportunity for good discussion. I would expect there to be about 50 people in attendance. The meeting is at the Microsoft Innovation and Policy Center 901 K Street, 11th Floor.

This would be a great opportunity for you to get some feedback and to discuss your priorities with a strong set of business leaders. Attending from the businesses are typically VP level, environmental, sustainability or government affairs.

We can fit your schedule for 30 to 60 minutes between 10:30 and 3pm we have flexibility.

Thanks for considering Bill.
