**TBD**                              **Green Innovation Site Visit: Frasers Broadway Precinct**

*Location:*                      *Frasers Broadway Precinct*  
*Press:*                              *TBD*

**Notes:**

- To last 1.5 hours
- Tour led by Professor Stuart White, Director of the Institute for Sustainable Futures
- The \$2bn redevelopment of the Old Kent Brewery site on Broadway in Sydney is one of Australia's most successful examples of green urban regeneration. The University of Technology Sydney ISF was a key partner of Frasers Property in identifying sustainability opportunities for the site. ISF assisted in developing the Frasers Broadway Precinct Water Cycle Strategy to plan significant reductions in overall energy use, water use and solid waste.

*RON*                              *Sofitel Sydney*
