[redacted]

March 31st, 1938.

Dr.Robert A. Kehoe,
University of Cincinnati,
College of Medicine,
General Hospital,
Cincinnati, Ohio.

Dear Doctor Kehoe: -

I thank you very much for your letter of March 28th, in connection with your report. I shall put this letter in my confidential file.

Anything you can do to help us with this case and clear up the possibility of malingering I shall be pleased with.

If the man is honest, of course he should have the money, but it would certainly seem from your report of the history that something out of the ordinary is transpiring.

I appreciate very much your help in this claim.

Very truly yours,

Sidney McCurdy.
