Dear Kenneth,

I'm delighted to announce that Newt Gingrich will be joining Steve Forbes and George Gilder to discuss "Disruptive Change: Clearing the Path for Reform and Innovation" at our Krieble Dinner and Lecture on Thursday, June 7 at the Resource Bank Meeting in Fort Lauderdale, Florida. Together these innovative leaders in business, technology, and politics will explore how the current age of disruption can clear the way for real innovation and new solutions as we fight to enact new policy solutions.
