Dear Roy:

I am glad to hear that you will again be presenting an update on the Vinyl Institute activities at our Vinyl Chloride Safety Association meeting on September 12 and 13. The arrangements will be similar to those last time. The official meeting will close at 4:00 p.m. on September 12, and your presentation can follow immediately.

I understand that John Vaughan, program chairman, has passed your request for equipment to our vice-chairman, John Anderson of Air Products, P.O. Box 467, Pensacola, FL 32592, phone (904) 994-5511.

Enclosed are reservation forms from the hotel, and a brochure in case you have not yet made reservations. Do not hesitate to call me at (519) 339-2284 if you have any questions.
