Attn: Mr. David Wood, Mgr. Dielectric Fluids

Dear Mr. Wood:

This is in reply to your letter of September 13th concerning askarel transformers.

The Medium Transformer Department at Rome, Georgia has made the announcement that we will terminate production of pyranol transformers June 30, 1977.

Our Apparatus Service Division has been advised to arrange for supply requirements prior to the above date.

If additional information is required, please advise.

Sincerely,

L. G. Crowe
Buyer
