1969, 1666 pages.

Exhibit 8 is the 7th Edition published in 1974 of 1536 pages.

Sir, Exhibits 2 through 8, are you familiar with those publications?

A. Yes, I am.

Q. Are all those volumes present in the NSC Library today?

A. Yes, they are.

Q. To your knowledge, sir, were Editions 1 through 7 of the Accident Prevention Manual for Industrial Operations published by the National Safety Council in the regular course of business?

A. Yes.

Q. And is it kept in your library? Are all 8 volumes kept in your library in the normal course of business?

A. Yes, they are.

Q. Let me amend that.

Are all 7 editions that we marked as Exhibits 2 through 8 kept in the normal course of business in the NSC Library?

A. Yes, they are.

Q. Sir, Editions 1 through 7, are the editions that are in your library the record of what was
