Re: Nevada Power Company v. Monsanto Company, et al.,
Case No. CV-S-89-555-LDG-LRL

Dear Paul:

In response to your letter of May 25, 1993 to Konrad Cailteux regarding Nevada Power's Transformer Tracking System (TTS), please put all of the TTS data, and not just the PCB related data, in an ASCII format on high density double sided 3 1/2" disks. We can provide you with these disks or reimburse you. They usually cost less than \$1.00 each.

Thank you for your assistance. I look forward to hearing from you.

Sincerely,

David C. Kiernan
