Mr. Roland W. Flynn
GULF OIL CORPORATION
Gulf Building
Pittsburgh 30, Pennsylvania

Dear Mr. Flynn:

Enclosed are two copies of a codicil letter to bring Pydraul A-200 into your Pydraul distributors contract dated July 1, 1958 and to bring all your export sales of Pydraul F-9, Pydraul 150, Pydraul 625, Pydraul AC and Pydraul A-200 under that same contract.

This amendment is intended to cover sales outside of the continental United States, for the Gulf Oil Corporation and subsidiaries owned 50% or more by the Gulf Oil Corporation.

If you elect to accept this amendment, will you please execute one copy of the codicil letter and return it to me. I understand you will send a blanket order for Pydraul A-200 and a blanket order for your export sales separate from your orders covering sales in this country.

Very truly yours,

Richard Davis
