Subject : Computer Search for SMP Reports

Reference :

TO : M.J. Mierkowski - R2C

Would you please conduct a computer search for standard manufacturing process (SMP) reports for the following chemicals at the Krummrich plant:

Chemical	Department
Santobrite or sodium pentachlorophenate	236

My account number for this search is 11 000 744.09 - 257. If you need any additional information, please call me at 4-8845. Thanks!

T Leet
