Dear Bob:

Enclosed is a copy of the revised LFE report cover letter.

Although this still leaves something to be desired, I believe that it is an improvement over the initial report and something that you might be able to use with Cal/OSHA. I suggest that you destroy your copy of the original cover letter.

The revised report is a result of my talking with Oberg's boss who was very understanding to my complaint. Oberg was subsequently very apologetic.

Happy new year.

Very truly yours,

Thomas P. Felt
