

1 other, non-asbestos-containing components, into brake shoes.
2 These brake shoes have been distributed and sold nationwide.

3 INTERROGATORY NO. 10:

4 If the answer to Interrogatory No. 3, No. 6 or No. 9
5 is affirmative, please state as to each affirmative answer:

6 (a) The trade or brand name of each product mined,
7 manufactured, and/or marketed;

8 (b) the dates each product was placed on the market;

9 (c) The dates each product was withdrawn from the
10 market;

11 (d) A description of the chemical composition of each
12 product, including the type of asbestos contained in each such
13 product (i.e., amosite, chrysotile, crocidolite) and the quanti-
14 tative percentage of asbestos in each product;

15 (e) A description of the physical appearance of each
16 product;

17 (f) A detailed description of the intended uses of
18 each product;

19 (g) The name of the manufacturers of each product;

20 (h) The mining or milling concern from which the raw
21 asbestos was obtained.

22 RESPONSE TO INTERROGATORY NO. 10:

23 (a) - (b) Wagner friction products have been distrib-
24 uted and sold under the following brand names during Plaintiff's
25 alleged exposure period to brake products:

26 Wagner/Wagner Lockheed 1967-1976

27 Wagner - 1976-1983

28 Chatham 1976-1983

(c) Wagner has not discontinued assembling, selling
or distributing its brake products.

(d) Wagner does not know the contents by weight of
the friction materials it purchases containing, among other
