you have a complete picture of all of the issues which were initially presented in this case.

Question 2, do you find by a preponderance of the evidence that Mr. Grewe's mesothelioma was a cause of his death?

There are two blanks, yes or no. The one marked yes has an X in it and underneath it says admitted.

That is not in dispute. All of the parties agree that Mr. Grewe's mesothelioma was the cause of his death.

If you hold Mr. Wood's verdict form for just a moment, you will see that question one and question two are identical to that in Mr. Grewe's form.

In Mr. Wood's case, there is no issue as to whether he had mesothelioma or whether it was the cause of his death, so questions one and two have been admitted by all parties.

Question number three in Mr. Grewe's form, do you find by a preponderance of the evidence that Mr. Grewe's exposure to asbestos-containing products
