SUBJECT AROCLOR SPILLS

REFERENCE

TO : Night Superintendents

In the event you are contacted for information related to an Aroclor spill outside the plant take the following actions:

1. Get as much information about the situation as you can.

2. Get the name, address, and telephone number of person calling.

3. Advise the person you will have someone contact him.

4. Make no offer of help, such as sending a Monsanto employe to assist.

5. Give no advice other than practical common sense suggestions such as:

   a) Barricade the area.

   b) Try to keep the product out of sewers.

   c) Keep people out of the contaminated area.

6. Give the information you have received to the first one of the following three people you can contact:

A. E. Leisy	966-5608
Wm. B. Papageorge	878-3513
J. R. Savage	966-8822
