Contract 79563-Y

Ken-Tech Laboratory
949 McKinley Street
Baton Rouge, Louisiana

PLEASE HANDLE NOTE
JUN 30 1955
PETROLEUM PRODUCTS LAB.
W. C. ALBERT

Gentlemen:

Our above contract provides that you furnish the service of determining the nature and amounts of foreign materials which may be present in the atmosphere in and around our installations in East and West Baton Rouge Parishes.

We have not received your invoices covering services performed for the period April 15 through June 15, 1955. Please forward these invoices promptly and issue future invoices on the 15th of each succeeding calendar month, as outlined in Article 10 of the above contract.

Yours very truly,

F. C. Walters
