R. E. Beal - B2SB
D. C. Cissell-
J. E. Hastings - B2NL
R. A. Pohl - B2SB

D. T. Hughes - 1740

The cost of incinerating the waste aroclor material which will be on hand at the date the manufacturing unit is shutdown should be estimated and included in the accrual request as decommissioning expense.

Please review this contingency with your local management and provide me with an estimate of the pounds and related incineration expense.
