Dear Dr. Winslow:

It has been practically decided to have one meeting in New York, June 13 - Executive Committee. The formal notices and programs will go out in a day or two. For economy reasons there will be no separate meetings of the Finance and Administration Committees unless there should be some urgent or insistent demand for these preliminary meetings before the 13th. Our people seem to want the utmost economy in traveling expenses.

I am keeping in touch day by day with the Foundry Associations. I was in Louisville yesterday but the meeting took place in the Union League Club of the representatives on the Reviewing Committee, and I expect to have the report in a day or two. We shall do our utmost to have recommendations for the Executive Committee, June 13.

Sincerely yours,

W. H. Cameron
